the Baldwin 2

*Plans are subject to change.

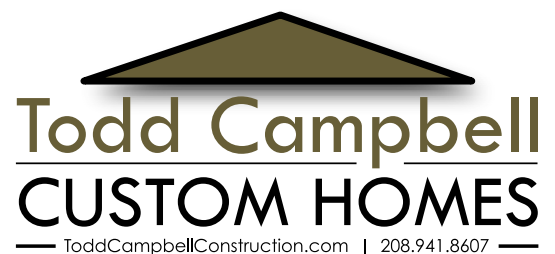

The Baldwin 2 by Todd Campbell Custom Homes is designed for those seeking a smooth flowing open concept design. The great room offers ample entertaining space with an open kitchen, dining room and family room that will allow guests to mingle. The Kitchen offers a unique island and extra eating bar for large gatherings. This open concept plan features large windows for natural light, custom cabinetry and stainless steel appliances.

The master bedroom offers a retreat from the busy day. The front office offers a place to work or relax and read. Custom moldings, hardwood floors and tile will delight you for years to come. The tech center all a central space to charge and use all of today's technological devices. Two secondary bedrooms with walk-in closets offer plenty of storage and room for family and guests. This well designed functional plan is yours for the taking... and do not be afraid to ask about customizing this plan to your specific needs. That is what we are all about at Todd Campbell Custom Homes.

We are here to make the home yours.
